Dear Industry Partner,

On the evening of 18 March 2020, the Air Force Association Northern Utah Chapter will recognize the “Top Logistic Performers” during the Annual Brent Scowcroft ICBM, Aerospace Dominance, Supply Chain and Munitions awards banquet. This year’s event will be held at the Ogden Eccles Conference Center, 2415 Washington Blvd in Ogden, Utah. We will begin with a social hour at 6:00 pm followed by the dinner and awards at 7:00 pm. We are very pleased to come together with the ICBM, Aerospace Dominance, Supply Chain and Munitions communities to recognize those individuals who are truly the best in acquisition, sustainment, logistics and maintenance. The guest speaker for this year’s event is Mr. Steve Wert, SES, Program Executive Officer Digital, Air Force Life Cycle Management Center, Hanscom Air Force Base.

We cordially invite you as an industry partner to attend the banquet and to reserve tables for your attendees. This year, the tables are reserved in tiers according to their proximity to the stage and are priced accordingly. Table prices are \$700 tier I (closest), \$600 tier II, and \$500 tier III (furthest). There are nine (9) tier I, seven (7) tier II and nineteen (19) tier III tables available on a first come, first served basis; limitations may apply. Industry partners purchasing a tier I table will also be recognized as a Community Partner for 2020, a \$120 value. As usual, four seats at each table reserved will be for you and your representatives with the remaining seats for the Scowcroft Award nominees and their guests.

The banquet serves as an opportunity to recognize individual and group excellence. The contractors are a very important part of these community and your support of the awards and banquet are greatly appreciated and essential for the event’s success.
